NMSTO President
New Mexico Thespian Society

Dear Applicants:

Thank you so much for your interest in applying for New Mexico State Thespian Office. We are so glad that you have taken an interest in leadership, and cannot wait to receive your application. I am here to inform you a little about what State Thespian Office entails.

State Thespian Officers are in charge of leading the New Mexico State Thespian Society. We strive to unite troupes across New Mexico. As an STO, you are given the opportunity to impact the state, and implement new ideas and activities.

I am here to tell you that I am here to support you every step of the way. I have been on the board for two years, and am happy to help you in any way, shape, or form. Please, please, please let me know if you have any questions about applying, or anything else regarding New Mexico Thespians. I will tell you that it is very important you submit all the needed documents before the deadline, and if you are having any trouble with that, please let me know. Be sure to submit a resume, along with all the forms in this application! My suggestion is to submit your application as early as possible, therefore if you are missing something, we can let you know before the deadline.

As I said earlier, it is the NMSTO's goal to create a united society, so if you have any events or show dates you would like us to attend, please send them to me and I will post them on our social media sites. Our social media sites are a great reference for events happening across the state, so I encourage you to support those as much as possible.

Along with myself, each of the State Thespian Officers are here to support you, just message our Facebook! On behalf of the NMSTO board, I wish you the best of luck on your application. Again, if you need help with anything, my contact information is at the top right of this page.

Sincerely,

Yazbeth Montoya
